On VIRGIN VOYAGES "SCARLET LADY"

Visit ship, click here: https://www.virginvoyages.com/ships

With a name inspired by an early Virgin Atlantic plane, Scarlet Lady has redefined what a luxury cruise ship is. Sailing from her homeports in Miami and San Juan, Scarlet Lady is pioneering a new generation of cruise vacations. With innovative design, inspired décor, and an adventurous spirit, you've never seen a ship quite like the Scarlet Lady.

Step on board with a suitcase and a dream. We've got the rest handled.

***To everything — including children — there is a season. Their season is just not on our ships.**

Drinks by the pool with no stray cannonballs. Dinner in an upscale steakhouse without pre-bed meltdowns. Our ships are places to relax in style and comfort, and as much as we love them, kids can get in the way. We cater our food, entertainment, and activities to adult tastes — and our Sailors love it. Discover the reasons why our Sailors consider Virgin Voyages as the best cruise line.

***We don't promise one thing when you book and then nickel-and-dime you once you get on board. Over $1000 in value is included in every sailing, and everything we offer — from our menus (created by Michelin star chefs) to our cabins (designed by top international firms) — is award-winning.**

***Upscale but not stuffy. Fancy but not fussy. That's our included onboard dining experience.**

Eat what you want, when you want, how you want it. We ditched buffets and set dining times in favor of restaurants where you can reserve a table when it works for you (and eat made-to-order food). Or wander around The Galley and see what catches your eye. Either way, it's all included. Don't Miss The Ship…
